4:11 PM **Kelly:** Haha yes she was a super strong woman. One time I was looking for her when we lived in wabamun, she wasn't home so the next place to look was the hotel. I looked in the doors and didn't recognize her at first! She had her back to doors her shoulders were so broad I actually thought she was one of the guys in there...I went back to her house and then phoned around finally trying the bar....she was there the whole time! 🤔🤔🤔🤔

Sunday, September 25, 2022

8:00 PM **Kelly:** No. It's messed up. I'm back at home and taking it easy

8:04 PM **Kelly:** I suddenly was having a hard time breathing and then sharp chest pain. I honestly thought I was gonna die. The only thing they found was that one of my arteries looks like it has gotten wider

8:05 PM **Kelly:** It was. I'm glad I got a few good friends.

8:06 PM **Kelly:** Over an hour from start to when I could almost breathe normal and I still have a bit of pain

8:08 PM **Kelly:** They called the ambulance it took them almost half hour to get to me. The nearest hospital is about half hour away as well

8:08 PM **Kelly:** I was at work. So the friend I called came and sat with me and called the ambulance

8:11 PM **Kelly:** Not really. They made me feel comfortable tho and got me to hospital. I was still able to talk and stuff so it didn't seem like they were too worried. They had me hooked up to the heart thing and an o2 thing

8:42 PM **Kelly:** I'm better but not 100% ya that's all they found. Hoping to hear more after specialist looks at ct scan

9:02 PM **Kelly:** Ya I have mixed emotions about whether they figure it out. Sounds like you are keeping busy!

Thursday, May 23, 2024

2:37 PM **Kelly:** Hi! Hope your trip to Nicaragua was good! Are you back in Canada yet? The bank really would like to be able to clean up the estate account for my mom's stuff and we can't do that until you can come and let me sign everything I need to over to your boys. There is also someone interested in buying the property as well. The bank will be calling me back in August sometime.

2:39 PM **Kelly:** They just want it finalized and dealt with

2:41 PM **Kelly:** It can be signed over to you since you are their legal guardian

2:44 PM **Kelly:** I can get shimone I think is how you spell it to give you a call. Tracy moved out and there is a person living there and actually doing improvements to the place in place of rent atm he will start paying rent here soon again. He went thru a nasty divorce from his crazy wife and is very reliable kinda guy. He would love to buy the place.

2:45 PM **Kelly:** I'm pretty sure it's just signing of a few papers and maybe a quick visit to a lawyer to transfer everything

2:47 PM **Kelly:** Unity credit union

2:49 PM **Kelly:** She's going to yellow up more like her dad is! She has some unique markings on her face though that make her look extra pretty 🥰

2:50 PM **Kelly:** I almost want to keep her 🧡🧡

2:51 PM **Kelly:** Should be 3 more here fairly soon. Maybe within the next month they will all be running around

2:53 PM **Kelly:** We have been soo busy and now with all this beautiful rain we have been getting just making it a bit harder to get all the cows and calves out to pastures.

2:55 PM **Kelly:** Aww I love the middle one. I could keep her. I am also currently looking at getting a new stallion. Or breeding one of my mares to another stallion in hopes for the color I want and a stud colt.

2:55 PM **Kelly:** The rain has been a blessing our pastures all look amazing

2:56 PM **Kelly:** Some of the cows we got out already

2:56 PM **Kelly:** It's awesome!

3:01 PM **Kelly:** Yes that is alot for an apartment. We have sooo many cats out here but only 2 are tame-ish lol

3:02 PM **Kelly:** I have found trying to add indoor/outdoor cats to the herd just never works. They aren't built to fight with these mongrel savage cats we have

3:03 PM **Kelly:** Or they like to sleep in the motors of our trucks and tractors. It's never good then

3:06 PM **Kelly:** Absolutely. That's always the best way!

3:07 PM **Kelly:** Haha I bet! I love cats like that

3:13 PM **Kelly:** Cool!

3:18 PM **Kelly:** Soo cute

3:21 PM **Kelly:** Lol dogs are funny sometimes,

3:26 PM **Kelly:** Yikes that sounds horrific

3:30 PM **Kelly:** That's super awesome you got him to coexist with the kitties

3:33 PM **Kelly:** A grullo

3:34 PM **Kelly:** This is the stud I got picked out

3:36 PM **Kelly:** He was 750 last year plus mare care while the mare is there

3:37 PM **Kelly:** It is. I charge 650 for warrior so really it's not bad

3:40 PM **Kelly:** 50 50 lol. It's cheaper then buying one already on the ground. A weanling grullo is running at about 2500 to 10000 atm

3:41 PM **Kelly:** Depending on the breeding 1500 and up

Friday, May 24, 2024

7:32 PM **Kelly:** We had to help this heifer out first thing this morning and I've been busy since.

5:25 PM **Kelly:** Hey I'm doing fine, just been really busy with my life, actually still busy but as soon as I get in the house tonight I will go over the lawyer and my own notes and get back to you.

5:25 PM **Kelly:** How are you?

7:07 PM **Kelly:** How old is the younger of your offspring? They need to be at least 18 years of age before I can start this process with them.

9:02 PM **Kelly:** Thank you! That was a question mark on the will, I have an appointment with the lawyer coming up right away and will pass the information along. After he advises me on what the next steps we need to take to move forward in this process are, I will let them know.

9:05 PM **Kelly:** Thank you for the update on your family, I hope your mom is doing better, and surgery goes well for Pernille!

9:06 PM **Kelly:** We are an hour ahead of you guys and I'm off to bed, good night

Friday, November 28, 2025

Friday, January 2, 2026

9:36 AM **Kelly:** Happy New Year's

Friday, January 16, 2026

2:25 PM **Michael:** I just wanted to follow up on the messages you sent from May 20, 2024. Regarding you having the bank contact me. What's the current plan?

9:11 PM **Kelly:** Hi. I'm good. How are you?

Went to my lawyer in December . I was waiting till after Christmas to contact you. I will look over my info tomorrow and get back to you. Just going to bed now and had a busy day. Soon my family's farm will be yours.....don't worry.

Monday, January 26, 2026

12:12 PM **Michael:** I am not worried 😊 , I am just trying to get a picture of everything as Maximus is asking questions I don't have answers for. You had written "The bank really would like to be able to clean up the estate account for my mom's stuff and we can't do that until you can come and let me sign everything I need to over to your boys." You said you would have someone from Unity Credit Union contact me, who would I talk to there?

Wednesday, January 28, 2026

9:07 AM **Kelly:** Good morning all is good here! I've been super busy last few days trying not to think about my mom's death anniversary that is coming up right away. I did speak with lawyer and I was advised to let you know to go to a Saskatchewan based lawyer to sign a paper saying you want to take over the estate and then I will go to court house and sign off on my family farm. I don't want to sign off yet as I do not wish for just anyone to handle it.

Thursday, July 2, 2026

6:46 PM **Michael:** Hey, happy belated Canada Day! Can you please send me a copy of the will? Would you prefer me to use the lawyer you spoke to?

Friday, July 3, 2026

12:17 PM **Michael:** Also, can I please get the name, phone number, and email of the person renting the property?

3:58 PM **Kelly:** The caretaker I had staying there moved out in March, it is currently vacant. I honestly thought I have sent you copies of the will. I will send another copy at my earliest convenience, like I told you before the lawyer said you need to get a Saskatchewan based lawyer to sign that you are going to take over and I need to go to courthouse to sign off on my end. I can do this at any point but then the government has control of property, I'm sure you don't want that. Or the other option is to wait til Dexter is 18.

I had to go to the bank today and paid power, gas, and insurance on place and I pay for the fuel and wear and tear on my own vehicle out of my own pocket everytime I do something for this property. So yes I want clear this up soon. Lol.

4:00 PM **Michael:** I wanted to get moving on this, but then you said you weren't ready yet. I'm trying to respect what you tell me.

4:01 PM **Michael:** There seems to be a difference between a tenant and a caretaker. You're saying you had someone living their rent free? When is the last time you had a tenant living there?

4:02 PM **Michael:** The last thing you told me about tenants was that there was someone living there who is doing work on the property and they are interested in buying it. That's a big difference to a caretaker and now completely vacant.

4:02 PM **Michael:** I have asked for a copy of the Will several times but you've never provided it.

4:11 PM **Kelly:** I know you do not have the authority to manage your kids inherited property or estate funds unless specifically stated appointed by a court. I have just been telling you out of kindness of my heart. If you want to manage this then you need to do what I said.

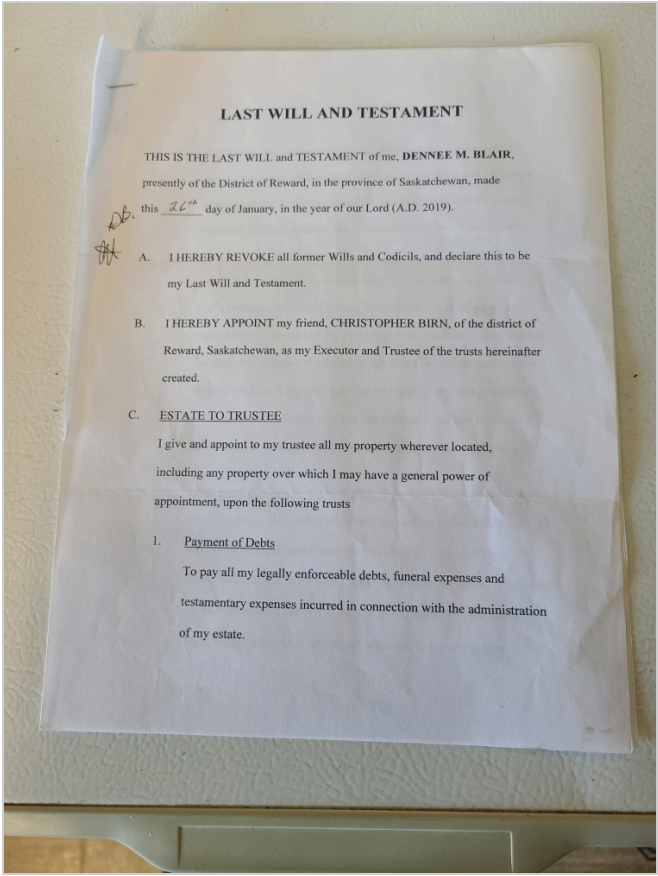

4:15 PM **Michael:** I've been nothing but patient with this. Max is 18. He has asked me to help him with this. Dexter will be 18 in eight months. Because Dexter is my minor son, I do have the authority to act on his behalf. I don't know why you're making this so difficult. I tried to make this as easy as possible for you. You're saying that you were telling me information out of the kindness of your heart, certainly, you have an obligation to Maximus who is 18. What information of you provided him? I don't even know the address of the property because you won't give me a copy of the Will.

4:25 PM **Kelly:** When you get the will get a Saskatchewan based lawyer til then there is nothing I can do as I told you January 28 of this year.

4:25 PM **Michael:** Why can't you give me a copy of the Will?

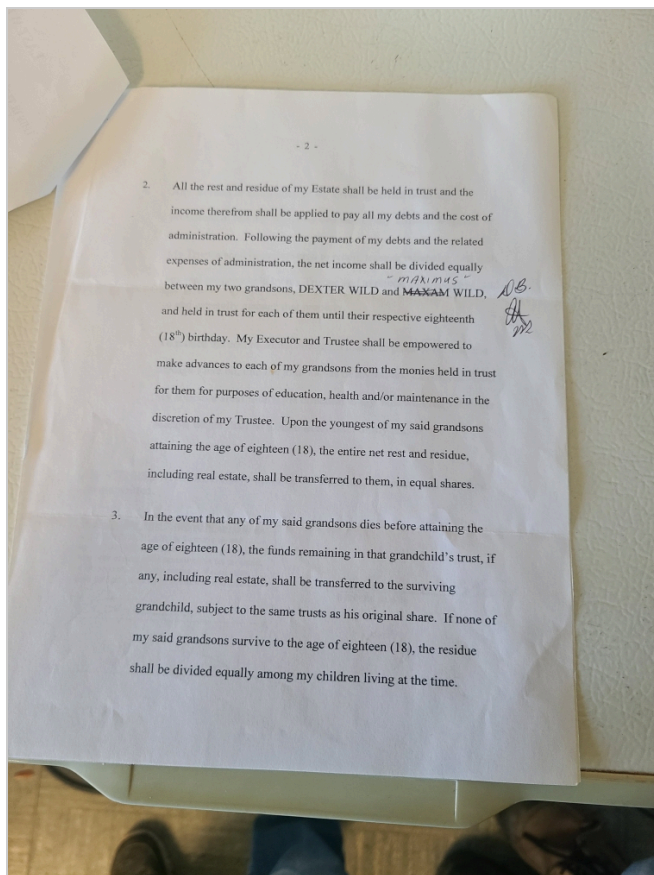

4:33 PM **Kelly:** We just literally sped home from the field we were in so I could send you the following

4:34 PM **Kelly:**

[photo attachment — Resized_20260703_163208.jpeg]

4:35 PM **Michael:** I have been asking for a copy of the Will for years, I don't know why you found it necessary now to speed home from the fields to do it now. It seems like you're playing some games here and I don't really understand what you're doing and why?

4:39 PM **Michael:** IS this the proper address?

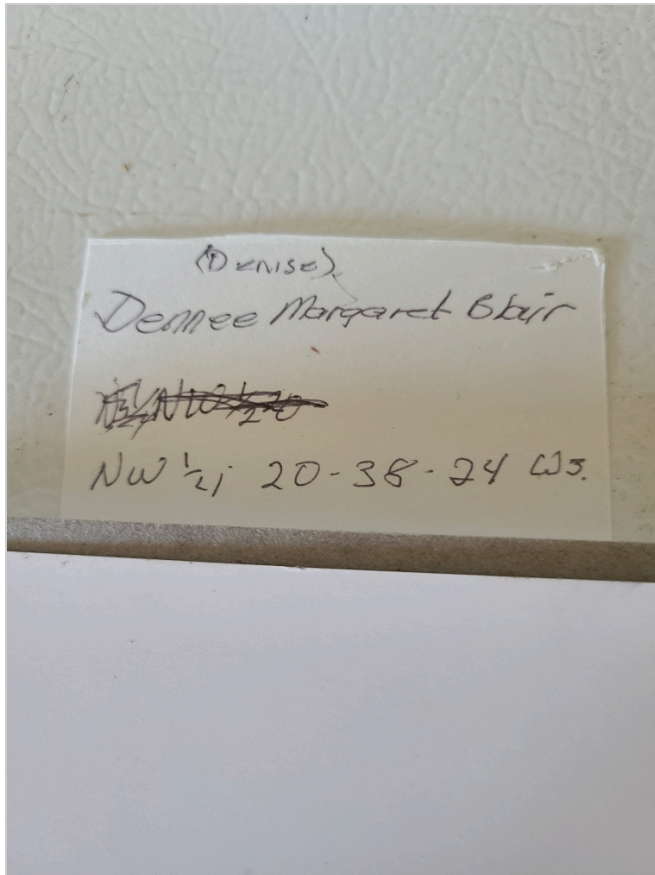

4:39 PM **Michael:** 38347 Range Road 3245
Grass Lake No. 381 SK S0L
Canada

4:39 PM **Michael:** Do you have the legal address from the property taxes?

4:40 PM **Kelly:** I'm not playing games, if you would have been here 6 fucking years ago when I watched my mother get killed by a doctor you would already have fucking control, but you kept making the decisions and excuses as to why you couldn't come here, so blame me! I'm done with this.

4:44 PM **Michael:** You never asked me for anything. If you wanted me to do something, all you had to do was ask.

4:48 PM **Kelly:**

[photo attachment — Resized_20260703_164729.jpeg]

4:51 PM **Michael:** I am not sure what "decisions" you are referring to, please explain? Mom asked me if I wanted to be there for her passing and I told her I was not going to attend. That was a conversation between the two of us. You never told me you wanted anything from me. How am I supposed to know what you want or need if you don't communicate your wants and needs with me?

For 6 years you had control of the property, we discussed this at the beginning. Chris was supposed to be the executor, but you insisted Mom change the will days before her death. If you didn't want the responsibility, then why did you insist on having it?
